3. Take the third Night of Navy piece ($3\frac{1}{2}'' \times 8''$) and score at $1\frac{3}{4}''$. On the long side, use a pencil to mark the top edge at $2\frac{1}{4}''$ & $5\frac{3}{4}''$. Do the same on the bottom long edge. Score an X using the pencils marks as your guide.

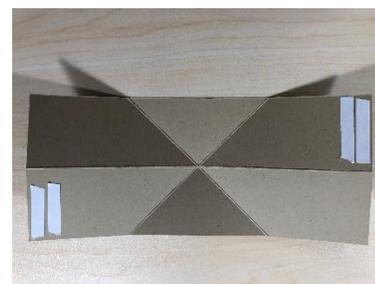

4. Fold this piece on the score lines to make a tent shape. This is the pop up mechanism for the card.

5. Stamp the larger two Whisper White pieces and then adhere to inside of your card base.

6. Use Tear & Tape on the upper triangle of the tent. Adhere inside card. Align the tip of the triangle with the score line of your card base. Then apply Tear & Tape on the other triangle and close your card over it. This creates the pop up mechanism inside your card.

7. Open the card and the pop up mechanism will unfold. Use Tear & Tape on the lower left and upper right corners as shown.

8. Center the accordion fold piece over the pop up mechanism and adhere to Tear & Tape. (Note: you are centering the accordion piece, not aligning the edges!)

9. Stamp the 4 smaller Whisper White pieces as desired. Adhere inside card.

10. Use the Swirls & Curls embossing folder to emboss the Balmy Blue piece. Then adhere to front of card.

11. Use the Stitched Shapes & Layering Ovals to cut out the front oval pieces. Stamp as desired. Adhere scalloped oval with dimensionals. Adhere the stitched oval with Snail Adhesive.
